

For our Social Action Project this year, the Parish Council has decided to support the Joel Nafuma Refugee Center on Via Nazionale, connected to St. Paul's Within the Walls Episcopal Church

The JNRC offers services from basic supplies, a relaxing atmosphere, legal and social advice, employment support, to language and skills courses, for nearly 150 people each day. Using a holistic approach, they seek to address both the urgent needs of those just arriving to Rome, as well as the needs of those seeking to settle in Rome.

We are seeking to fulfill their wishlist for items most in demand by homeless refugees and asylum seekers. **They are asking for brand new items. For items such as clothing or sleeping bags they can also be used, but need to be in excellent condition and cleaned.** You can bring them to the weekend Masses and give them to Fr. Greg or Daniel. The final deadline for the objects will be December 1st, but we will be delivering them as the items come in. St. Patrick's has long supported the Joel Nafuma Refugee Center and we are happy to continue to do so with this special project.
